

During the 2020-21 fundraising year, donors to Emmanuel College gave a total of over \$3.6 million, including gifts in support of the Emmanuel Fund, student scholarships, academic initiatives, and capital projects. Emmanuel is deeply grateful to all of its generous supporters. Your gifts in 2020-21 – which count toward the Campaign for Our Second Century – affirm the importance of Emmanuel’s educational mission in today’s world, while empowering students to achieve their greatest aspirations.

President’s Society

The President’s Society celebrates Emmanuel’s most generous and loyal donors. By their philanthropic leadership, President’s Society members affirm the impact of Emmanuel’s educational mission in an ever-changing world.

“If the pandemic teaches us anything, it is just how quickly conditions in our external environment can shift. Which is why we at Emmanuel have continued to embrace our entrepreneurial spirit. Today as ever, we strive to meet the evolving needs of students – and to keep them in demand in a range of professions, including some not yet imagined.”

In the past three years, the College has established five academic schools: Business & Management; Education; Humanities & Social Sciences; Nursing & Clinical Sciences; and Science & Health. These schools, in turn, have served as springboards for innovative programs in fields such as Accounting, Data Analytics, Finance, Global Health, Mathematical Modeling, Migration Studies, Political Communication and, most recently, Biotechnology.

In March 2021, Emmanuel dedicated a state-of-the-art nursing education space. Named in recognition of the generosity of Maureen Murphy Wilkens '56, this newly renovated wing of Marian Hall includes a fully equipped Nursing Skills Laboratory, which provides a realistic clinical environment for nursing students as they prepare for practicums at neighboring hospitals.

Capitalizing on its close proximity to leading names in business and innovation, Emmanuel has assured that all students complete an internship as part of their undergraduate experience. Students currently hold internships at organizations including Boston Children's Hospital, WCVB-TV, Harvard Medical School, the Boston Symphony Orchestra, Editas Medicine, and the Federal Reserve Bank of Boston.

† Deceased, * Billiart Society (3 or more consecutive years of giving), P=Parent, G=Graduate Degree
 Listings reflect gifts made between July 1, 2020 and June 30, 2021

Among 2021 graduates were two winners of the prestigious Goldwater Scholarship, as well as a Truman Scholar. In addition, a number of graduates collaborated with faculty on original scholarship and on research funded by the National Science Foundation and the National Institutes of Health, while others completed highly regarded research programs at M.I.T., Dana Farber Cancer Institute and other nearby institutions.

Matching Gifts and Donors

Organizations with matching-gift programs can double or even triple the impact of an employee's charitable contribution. Some companies match gifts made by retirees and/or spouses. To find out if your company maintains a matching gift program, please visit www.matchinggifts.com/emmanuel. The following list reflects the matching gift companies and foundations as well as the donors who coordinated the matches received from July 1, 2020 through June 30, 2021.
