

CoVerified

COVID-19 Support Application for Daily Health Attestation, Test Scheduling and Test Result Reporting

If you have any trouble accessing CoVerified or performing any of the tasks listed below, please contact helpdesk@emmanuel.edu for assistance.

Accessing CoVerified

CoVerified is available via a smartphone app or the web.

- Smartphone app download: <https://www.coverified.us/download>
- Web access: <https://campus.coverified.us/login>

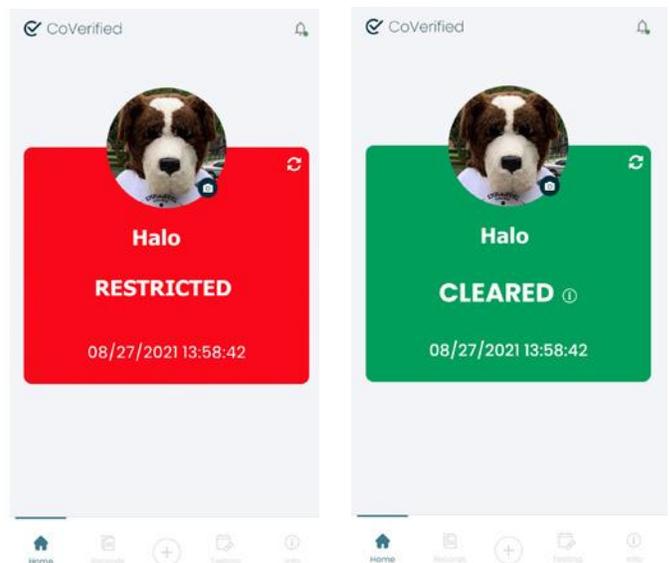

Your login username and password are the same Emmanuel credentials you use to log in to other services like email and ELearn.

Submit Daily Health Attestation

All members of the Emmanuel Community are required to submit a daily health attestation that, in conjunction with weekly testing, controls whether or not an individual is listed as restricted or cleared. The cleared screen is often referred to as the 'green screen' on campus.

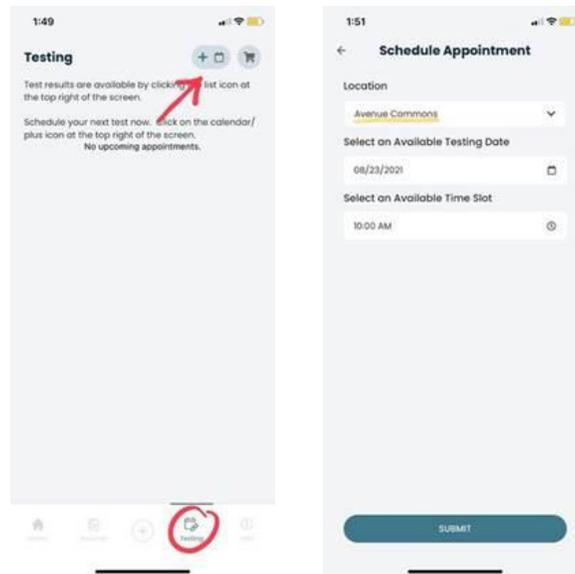

To submit the daily health attestation:

- Click the small round 'plus' (+) icon near the bottom center of the screen.
- Select 'report symptoms'.
- Select check boxes that apply to you and scroll to the bottom of page and press the 'submit' button.

Schedule a Test

To schedule a test, click “Testing,” then click the calendar icon. Select a calendar date and you will be presented with available testing appointment times to select from.

View Results

To view your results, click ‘records’ towards the bottom of your screen.

Results are typically received within 24 hours of drop-off at the Broad Institute in Cambridge, MA.
